4. **Changes:** We may revise these Terms from time to time. Changes to these Terms will take effect immediately once they are published on the Website. We will endeavour to give you two weeks' notice of any changes to these terms. Notice will be given through a range of media, including the Website. If you have a registered Card and you have opted to receive updates from us, you will also receive an email message advising of any changes. You are responsible for ensuring that you are familiar with the latest Terms. By ordering, or continuing to use, a Card after we have published revised Terms, you agree to be bound by the revised Terms.

 - "**Authorised Service Providers**" has the meaning given to it in Section 61 ('Authorised Service Providers').

 - "**Travel Pass**" has the meaning of a product offered by Transport Service Providers that allows travel on a selected range of services, for a certain period of time and is paid in advance.

- **“RideBank Card”** has the meaning of a specific type of Card that allows you to pay for travel via your Online Account rather than loading your Card with Stored Value or a Travel Pass.

Card Terms of issue and use

6. **Primary obligations:** You agree to:

- (a) use the Card only in accordance with these Terms;
- (b) comply with all notices, policies, and instructions relating to the use of the Card that we may issue from time to time;
- (c) provide us with any information and assistance that we may reasonably request relating to the issue, use, suspension, and cancellation of the Card;

- (f) not tamper, or allow anyone else to tamper, with the Card;
- (g) not affix, print, or otherwise attach any markings, stickers, or other items onto the Card; and
- (h) not alter, remove, or replace any notices, trade marks, or artwork on the Card.

7. **Carrying Cards Together:** You must ensure that, if carrying two or more cards together, only one card is used at a time and that the same card is used to tag on and tag off for each trip and journey.

8. **Right to retain:** Snapper, its Authorised Merchants, Authorised Service Providers and Transport Service Providers shall be entitled to confiscate or retain any Card which:

- we (or an Authorised Merchant, Authorised Service Provider or Transport Service Provider) suspect or have reason to believe has been fraudulently issued, stolen, tampered with, or used in breach of the Terms; or
- was not issued to the person presenting the Card or which the person presenting the Card is otherwise not entitled to use.

9. **Co-operation:** You agree to co-operate with us and, if applicable, the Police, in recovering your Card if it is lost or stolen, or if we suspect any suspicious behaviour or activity in relation to your Card.

Getting a Card

10. **Purchase:** You may purchase a Card from an Authorised Merchant, an Authorised Service Provider or directly from Snapper through the Website, except for a RideBank Card, which can only be purchased through the Ridebank App. The cost of the Card is non-refundable.

11. **Ordering:** You may order a Card by completing and submitting the order form on the Website or the RideBank App. When you order a Card, you must provide all required information (and you must ensure that such information is complete and correct) or we might not be able to process your order. For orders through the Website you will be required to purchase Stored Value at the time of order.

12. **Despatch of orders:** We will endeavour to despatch your Card within one (1) business day from when we receive confirmation of payment for your order. If we are unable to despatch your Card within these time frames, we will endeavour to contact you and advise you of the expected despatch date.
13. **Delivery of orders:** Once your Card has been despatched, it should be delivered within 2-3 business days. Please allow up to 3 additional business days for delivery to rural addresses.
14. **Delivery timeframes and delays:** Although we will endeavour to meet stated delivery timeframes where possible, all delivery timeframes are estimates only.
15. **Incorrect or incomplete deliveries:** If you believe that there is a shortage in the quantity of Cards delivered, or there is any other problem with any Card or any Stored Value thereon, you must contact us with any such claim within 10 days of the date of your order and you must provide us with a reasonable opportunity to investigate that claim.
16. **Risk and title:** Subject at all times to our rights, and those of our Authorised Merchants, Authorised Service Providers and Transport Service Providers, as set out in these Terms, risk of loss or damage to a Card that you have purchased, or ordered and paid for in accordance with Section 10 – 16, or a replacement Card provided in accordance with Section 43 and 51, will pass to you upon receipt of that Card by you. We retain the right to manage and change the software and data on the Cards.

Registering a Card

17. **Registration:** We will enable you to register your Card to your Online Account, in which event your personal information (such as your name, address and telephone number) will be registered against the Card number. You must register your Card if you are applying a concession under Section 18 (Concessions).

Applying a Concession to your Card

18. **Concessions:** We will enable you to, if you are eligible, to apply a concession to a Card, or purchase a Card that has concession already applied, that entitles you to certain discounts on services offered by Transport Service Providers. In order to apply a concession to your Card, you must provide us, or an Authorised Service Provider, with such evidence as we reasonably require in order to establish your eligibility. You can find more information about your eligibility for concessions at our Website. A Transport Service Provider representative may request proof of your eligibility to use a concession when you attempt to purchase services from them at a concession rate.
19. **Expiry:** Where you have applied a concession to a Card, it will expire:
 - In the case of a Child concession, on the later of:
 - The 28 February after you reach 16 years of age; or
 - on the 28 February date following the date of the Child concession being loaded onto the Card.
 - In the case of an Accessible concession, when you are no longer a Total Mobility or Foundation of the Blind member.
 - In the case of a Tertiary concession, on the date advised by your tertiary provider. If at any point you no longer meet the eligibility criteria, you will be notified of a new expiry date.
 - In the case of a Community Services Card concession, on the date of expiry as specified on your Community Services Card (at which time, if you remain eligible for the concession, you must apply to have the concession reloaded to the Card).
20. **Restrictions:** You must not allow your Card, with your concession entitlement applied to it, to be used by another person. If your Card, with your concession entitlement applied to it, is found in the possession of a person other than yourself, we (and the

Authorised Merchants, Authorised Service Providers and Transport Service Providers) reserve the right (but not the obligation) to retain that Card.

Adding Stored Value to your Card (does not apply to a RideBank Card)

21. **Adding Stored Value:** You may add Stored Value on to your Card either at an Authorised Merchant or Authorised Service Provider, using the Snapper Mobile App, using MySnapper in conjunction with a Snapper Feeder USB device, or at a Snapper Kiosk.
22. **Minimum and maximum amounts:** Each time you add Stored Value to a Card, you must add at least:
- in the case of a top up at any Authorised Merchant or Authorised Service Provider, \$1;
 - in the case of a top up by credit card or debit card on the Snapper Mobile App, \$1;
 - in the case of a top up using MySnapper, \$10; and
 - in the case of a top up at a Snapper Kiosk, \$1;

plus any transaction fees applicable to that top up.

You will only be able to add Stored Value in certain multiples of the minimum amount or in such other fixed amounts as may be notified by us from time to time. The maximum amount of Stored Value that may be held on a Card is \$300.

23. **Determination of Stored Value:** The determination by us, the Authorised Merchant, the Authorised Service Provider, or the Transport Service Provider (as the case may be) as to the amount of Stored Value on a Card shall be final and conclusive. We reserve the right to correct the Stored Value on your Card if we believe that a technical or accounting error has occurred. For the purposes of such determination, the value as determined by us, the Authorised Merchant, the Authorised Service Provider, or the Transport Service Provider from any of the following sources shall be deemed to be conclusive and binding:
- (a) the value encoded in the Card;
 - (b) our records, including records that we generate from the Card system.
24. **Obligation to examine:** You should check the Stored Value on a Card upon the purchase or issuing of that Card and upon the addition or subtraction of any Stored Value to the Card.
25. **Residual Stored Value:** The Stored Value on a Card is non-refundable and, except to the extent permitted under sections 47 to 51, non-transferable. In limited circumstances, we may at our absolute discretion consider a request to refund part or all of the Stored Value on a Card to you where there has been a clear error or some other circumstance has occurred where we consider not providing a refund would create an inequitable outcome.
26. **Interest:** No interest will be payable to you in relation to the Stored Value on any Card.
27. **Debits to Stored Value:** The Stored Value on a Card will be debited when you use a Card to pay for transport services or a transport journey, the Stored Value on the Card will be debited by the amount payable for the transport services or transport journey.
28. **Top up fee:** Each time you add Stored Value to a Card through an Authorised Merchant we will charge you \$0.25 (inclusive of GST). The fee will be deducted from the amount of Stored Value you add to a Card.

Adding a Travel Pass to your Card (does not apply to a RideBank Card)

29. **Adding a Travel Pass:** You may add a Travel Pass on to your Card either at an Authorised Merchant, using the Snapper Mobile App, or using MySnapper in conjunction with a Snapper Feeder USB device.
30. **Terms:** There are certain terms of use associated with Travel Passes which can be found on Transport Service Providers' or public transport authorities' websites or by contacting them directly.

Adding Payment to your Ridebank Card

31. **Payment Authority:** Upon downloading the RideBank App, setting up your Online Account (if required), and ordering your RideBank Card, you must submit a recurring credit card or debit card authority form (the "**Authority Form**").
32. **Payment Card Authorisation:** A \$1.00 authorisation hold may be temporarily applied to verify the validity of the credit card or debit card specified in the Authority Form ("**Payment Card**"). It can take up to 5 business days for this transaction to be completed. The hold will be removed once your Payment Card has been validated.
33. **Billing Cycle:** You will be billed for transactions on a weekly basis. Snapper reserves the right to change the billing cycle at any time, which will be notified to you through the RideBank App.
34. **Notification of Charges:** Where transactions have been received and processed by the Snapper system prior to the billing date, these transactions will be included in a billing notification through the RideBank App on the next possible business day. Each notification will state:
- the amount we will charge your Payment Card for all unbilled transactions; and
 - the day on which we will process the transaction on your Payment Card.

You are responsible for checking this billing notification, and neither we nor the Transport Service Providers (as the case may be) shall be liable for any error or omission not drawn to the attention of us or Transport Service Providers by the end of the following business day after which you received a billing notification.

35. **Billing Disputes and Enquiries:** If you would like to dispute any charges set out in the notification sent to you in accordance with Section 34, you must contact us by 3pm on the following business day after you received that notification. We may decide to not charge the Payment Card for the amounts specified in the relevant notice until after we have reviewed your enquiry.
36. **Charging the Payment Card:** We will charge your Payment Card for any amount that we notify you about in accordance with Section 34 and 35, plus a transaction fee of 3% of the amount payable, on the date specified in the notification provided to you. You grant us authority to continue charging the Payment Card for transactions incurred by a Card indefinitely until:
- the expiry of the Payment Card; or
 - you cancel the Card in accordance with Section 45 and 50.

It is your responsibility to ensure that your Payment Card remains valid and has sufficient funds available to pay for any transaction you incur any time you use a RideBank Card.

37. **Amending Payment Authority:** You:

- must notify us not less than 3 business days prior to the expiry or (to the extent possible) the cancellation of a Payment Card and provide us with replacement credit card or debit card details and authority to charge that replacement credit card or debit card in a form as reasonably required by us;
 - may notify us that you want to change the Payment Card that you specified in your Authority Form by updating the Payment Card details in the RideBank App. We will endeavour to update your details within 1 business day of your request.
38. **Declined Payments:** If we attempt to charge your Payment Card and that payment declines due to lack of funds, or the cancellation or expiry of that Card, we reserve the right to take any step to recover the amount(s) of any charges, and any reasonably incurred costs by us associated with the collection of such amount(s), including (but not limited to):
- re-attempting to process the transaction;
 - contacting you in relation to the declined payment;
 - suspending your RideBank Card or cancelling your RideBank Card in accordance with clause 48 to 52; and/or
 - using a debt collection agency to recover the declined payment.
39. **Cancellation:** You may cancel your RideBank Card at any time in accordance with Section 45 and 50. We may still charge your Payment Card for any transactions that have been incurred but not charged prior to the removal.

Using your Card

40. **Usage:** Subject to specific Card functionality and Transport Service Provider availability (as applicable), you may use the Card to pay for transport services in accordance with these Terms
41. **Right to refuse:** We or a Transport Service Provider (as the case may be) may refuse to accept a Card for payment of a transport service if:
- (a) the Card is expired, suspended, or cancelled;
 - (b) we or a Transport Service Provider suspect that the Card has been fraudulently issued, stolen, tampered with, or used, or that the Card may in any way pose a risk to the Card system;
 - (c) the Stored Value on the Card is insufficient or has been exhausted (unless using a RideBank Card);
 - (d) your Travel Pass has expired, or you do not have a valid Travel Pass for that transport service (unless using a RideBank Card); or
 - (e) you do not comply with these Terms or any relevant Terms of Use.
42. **Transaction details:** All transaction details, trip details, and other details recorded as a result of you using a Card will be recorded and retained by us ("**Transaction Data**"). You may view your Transaction Data using:
- your Online Account, via our Website or the Snapper Apps, for each Registered Card following the date of the transaction or trip. Transaction Data is available for Registered Cards only. Although we will endeavour to update the Transaction Data at least once per day, you acknowledge that:
 - (i) there may be delays in the updating of certain Transaction Data, which may result in that information appearing in your Online Account one or more days after the transaction or trip took place; and

(ii) we may add or update any Online Transaction Data at any time.

- the Snapper Mobile App, which will show the details of the last 10 transactions of any Card presented to it (except for a RideBank Card).
- an Authorised Merchant, who upon request can provide the details of the last 10 transactions of any Card (except for a RideBank Card).

Expiry, Suspension and Cancellation of a Card

43. **Expiry:** The Card will expire if the Card is not used, and no Stored Value or Travel Passes are added to the Card; and for a continuous period of five (5) years and eleven (11) months. When a Card expires, any Stored Value remaining on the Card will be forfeited to Snapper on the date the Card expires. Notwithstanding the expiry of a Card, we may, at our discretion, opt to transfer the Stored Value that was on the Card prior to its expiry to a new Card issued to you, if you request us to do so.
44. **Suspension:** We may suspend any Card or Online Account if you breach any of these Terms or any relevant Terms of Use. In the event that we suspend any Card or Online Account pursuant to this section:

(a) the suspension shall remain in force for such period as we may direct; and

(b) we may require the payment of a reasonable administration fee (and impose such other terms as we deem necessary or desirable) as a condition of unsuspending any such Card or Online Account.

45. **Cancellation by us:** We may cancel any Card or Online Account if you:

(a) breach any of these Terms or any relevant Terms of Use, and that breach amounts to what Snapper determines to be fraud; or

(b) if you advise us that you wish for your card to be cancelled in accordance with section 50.

Lost, stolen, damaged or faulty Cards

46. **Your responsibility:** You are responsible for safeguarding your Card against loss, damage, and theft, and ensuring that your Card is not used by any person without your permission. Transport Service Providers accepting your Card for payment for transport services shall have no obligation to prevent the use of a lost or stolen Card by a person. We will also have no obligation to cancel any lost or stolen Card (whether Card is registered or otherwise) or to transfer the Stored Value or Travel Pass on that lost or stolen Card to a replacement Card.
47. **Non-functioning Cards:** We will be responsible or liable for replacing any non-functioning Card except where it is determined that the Card has been rendered non-functioning by reason of the Card being:

(a) bent, scratched, folded, snapped, torn, delaminated, chipped, cut, cracked, punctured, crushed, or smashed;

(b) melted, burnt, frozen, or exposed to any other extreme temperature;

(c) immersed in water, or otherwise exposed to liquid;

(d) tampered with in any way; or

(e) used otherwise than in accordance with any of our instructions or guidelines relating to the Card.

48. **Card Transfer:** Where you lawfully hold a Card, you may (except where specifically provided otherwise in these Terms) permanently give that Card to another person. In that case, we will treat the new holder of the Card as the lawful holder, and he or she will be bound by these Terms. However, you are not permitted to give the Card to another person if that Card:

(a) is registered in your name; or

(b) has your concession applied to it.

49. **Card Return:** We may at any time require you to return your Card in the manner notified by us. In such event, we will replace your Card with a Card having any equivalent Stored Value or Travel Pass, but we may still charge your Payment Card for any transactions incurred on the original Card which have not yet been charged.

50. **Cancellation of Cards:** If a Card that is registered to you is lost or stolen, or is rendered non-functioning, you may ask us to cancel that Card by:

(a) blocking your Card via your Online Account;

(b) calling us on 0800 555 345. You will also be required to supply your Card number, full name, and answer some security questions; and

(c) (if possible and requested by us) returning the Card to us to the address that we notify to you.

51. **Transfer of Stored Value:** You may request the transfer of any residual Stored Value or Travel Passes from a Card to a replacement Card. When you request a transfer of Stored Value or Travel Pass:

(a) you must, if possible and requested by us, return the Card to us to the address that we notify to you,;

(b) you must confirm the reason for the transfer (e.g. lost or non-functioning Card);

(c) we will do our best to promptly cancel the original Card and we will transfer any Stored Value or Travel Pass (as at the time you requested the transfer) to the replacement Card;

(d) we will not be responsible or liable for any loss or damage that you may suffer as a result of any delay in delivery of the replacement Card, or as a result of us delivering the replacement Card to the address specified in your order; and

(e) our determination as to the amount of Stored Value transferred to the replacement Card shall be final and conclusive, but we reserve the right to make subsequent adjustments to that determination if we obtain transaction records which indicate that an adjustment is required to the amount of Stored Value transferred.

Transport Service Providers and Transport Services

52. **Transport Service Providers:** Certain authorised Transport Service Providers have entered into agreements with us ("**Transport Service Providers**") to accept the Card as a means of payment for transport services provided by those Transport Service Providers.
53. **Valid Card:** Notwithstanding Section 41 ('Right to refuse'), Transport Service Providers may permit you to use a transport service using a Card, and, with regard to a transport journey, to complete each leg of the route, as long as the Stored Value on a Card is at least the minimum fare permissible on that route as at the start of your journey, or you have a valid Travel Pass. Stored Value contained on multiple Cards cannot be combined to pay a single fare.
54. **Fare types:** There are currently three types of fare payment that Transport Service Providers may accept for transport services and journeys using the Card, being Stored Value, Travel Passes or through your Online Account if using a RideBank Card.

Each time you complete a public transport journey, either:

a Travel Pass will be used; or

the applicable fare will be deducted from the Stored Value on the Card; or

if using a RideBank Card, fares will be charged to your Payment Card via your Online Account.

Where a Card (except a RideBank Card) has two or more of the above payment methods loaded onto it, we will attempt to charge you for that public transport journey in order of priority starting with method (a) above descending to method (b) above.

Information about the fares, routes, concessions, applicable terms and conditions, and other information relating to public transport journeys is available from the respective Transport Service Providers.

55. **Travel Conditions:** When you travel using the Transport Service Providers, you must do so in accordance with any applicable legislation, regulations, conditions of carriage, and conditions of use (including any signs and notices displayed by the relevant Transport Service Provider) pertaining to that travel ("**Travel Conditions**"). These Terms are in addition to, and are not intended to limit, the Travel Conditions. Where required by the Travel Conditions applicable to your public transport journey, you must hold your Card against or near the Card reader such that the reader provides a visual or audible acknowledgement that it has successfully processed your Card. If an authorised representative of the Transport Service Provider inspects your Card during or after a transport journey and determines that you did not hold your Card against or near the Card reader in accordance with the Travel Conditions, he or she may:
- (a) charge you for the maximum fare possible on that route;
 - (b) impose any other charges permitted by the Travel Conditions; and
 - (c) take any other action permitted by the Travel Conditions.
56. **Fares:** The Card does not entitle you to a specific fare price or fare programme. We do not control the fares charged by the Transport Service Providers, and you acknowledge that they may increase fares and fare programmes in accordance with the applicable Travel Conditions. A Travel Pass that you have already commenced using prior to a fare increase will be honoured until the Travel Pass expires and subject to there being

no outstanding penalties or an IOU. The Stored Value or Debited Trip (as applicable) will be deducted at the fare, fee or rate in effect when the Card is held against or near the Card reader.

57. **Acknowledgement:** You acknowledge that we are not a Transport Service Provider and are not involved in the operation of trains, buses, or rail or bus networks. We make no warranty as to the standard or availability of service from a particular Transport Service Provider.

Authorised Merchants

58. **Authorised Merchants:** Certain authorised merchants have entered into agreements with us ("**Authorised Merchants**") that authorise those merchants (depending upon the terms of our agreement with that Authorised Merchant) to:

- (a) sell Cards to customers (except RideBank Cards);
- (b) provide Card top-up services to enable you to add Stored Value and Travel Passes to a Card;
- (c) charge fees to Card users.

59. **Identification of Authorised Merchants:** Authorised Merchants can be identified by their display of a Snapper acceptance sign. You should only present your Card when you see the Snapper acceptance sign. If you present your Card at readers that do not show the Snapper acceptance sign, this may damage the Card.

60. **Unauthorised or unlawful transactions:** You should not attempt to add Stored Value or a Travel Pass if you have any suspicion that the merchant is not an Authorised Merchant. We have the right not to honour Stored Value or a Travel Pass that is added to a Card by any unauthorised person or through any unauthorised or unlawful means.

Authorised Service Providers

61. **Authorised Service Providers:** Certain authorised service providers have entered into agreements with us ("**Authorised Service Providers**") that authorise those agents (depending upon the terms of our agreement with that Authorised Service Provider) to:

- (a) sell Cards to customers; and/or
- (b) provide Card top-up services to enable you to add Stored Value and Travel Passes to a Card; and/or
- (c) facilitate the transfer of lost, stolen, faulty or damaged Cards; and/or
- (d) validate concession entitlements;
- (e) refund via credit any penalties that may have occurred as a result of Transport Service Provider error; and/or
- (f) charge fees to Card users.

62. **Location of Authorised Service Providers:** The location of Authorised Service Providers can be found on Snapper's Website.

You acknowledge and agree that:

(a) we will not be responsible or liable for any damage, loss, cost, expense, or harm arising directly or indirectly as a result of Malware; and

Privacy

73. **Snapper Privacy Policy:** Where we collect personal information from or about you in order to register your Card or apply a concession to your Card, or through your use of a Card, the Website, your Online Account, MySnapper, or the Snapper Apps, the Snapper Privacy Policy shall apply. For an explanation of our practices and policies relating to the collection, use, and storage of your personal information, please refer to the Snapper Privacy Policy, which forms part of these Terms.

Liability

74. **Consumer Guarantees Act:** If the Consumer Guarantees Act 1993 applies to these Terms, nothing in these Terms limits your rights under that Act. If you acquire any goods or services from us for the purposes of a business you agree that the guarantees and remedies provided in the Consumer Guarantees Act 1993 shall not apply.

75. **Risk:** You carry and use a Card at your own risk, and we will not be responsible for any interference or damage suffered by any electronic device which occurs as a result of your carrying or using a Card.

76. **Our liability to you:** We will be liable to you for any loss or damage suffered by you that is directly caused by either our breach of these Terms, or our negligence, and that is:

(a) reasonably foreseeable;

(b) not caused by something beyond our control, including the acts of any Transport Service Provider or any other event or circumstance that is subject to section 91 of these Terms; and

(c) not caused by your acts or omissions, including your breach of these Terms or your negligence.

77. Limitation: If we are found liable to you under these Terms (or in contract, tort, or otherwise), our liability to you:

- shall not include liability for indirect, special or consequential loss, damage, cost, expense, delay, or inconvenience (including, without limitation, loss of profits, loss of opportunity, interruption of business, and loss of data), except where we are liable to you under the Consumer Guarantees Act 1993 or Fair Trading Act 1986; and
- shall not exceed in aggregate the sum of \$100 for each Card to which your claim relates.

Our limitation of liability as set out in this section 77 does not limit any rights you may have under the Consumer Guarantees Act 1993 or Fair Trading Act 1986.

78. Your liability to us: If you are found liable to us under these Terms (or in contract, tort or otherwise), your liability to us shall not exceed in aggregate the sum of \$100 for each Card to which your claim relates. You agree that the liability cap set out in this section 78 will not apply in respect of all actions, proceedings, claims, liabilities, penalties, costs (including legal costs on a solicitor and own client basis), awards, damages, losses, and expenses incurred by us, the Authorised Service Providers, the Authorised Merchants, and the Transport Service Providers arising directly or indirectly as a result of:

(a) your altering, interfering with, or tampering with a Card (or allowing a third party to do so);

(b) your failure to comply with any of these Terms or any relevant Terms of Use;

(c) our collecting, using, storing, and disclosing Third Party Information (as that term is defined in the Snapper Privacy Policy) in the manner set in Section 6 of the Snapper Privacy Policy; and

(d) your negligent or wilful acts or omissions.

General

83. **Taxes:** The charges and other amounts payable to us under these Terms are stated and payable in New Zealand dollars, and are inclusive of any applicable Goods and Services Tax (“GST”). 84. **Assignment and subcontracting:** We may assign, transfer or subcontract our rights or obligations under these Terms without your consent.
85. **No waiver:** Our failure or neglect to enforce at any time any of these Terms shall not be construed to be a waiver of our rights, or to in any way affect the validity of the whole or any part of these Terms, or to otherwise prejudice our rights to take subsequent action. Any waiver made by us in respect of any right provided for in these Terms shall not be construed to be a waiver of any further or future right arising under these Terms.
86. **Severability:** If any of these Terms is held invalid, unenforceable or illegal for any reason, that provision shall be deemed deleted and the remainder of these Terms shall remain in full force and effect to the maximum possible extent.
87. **Governing law:** These Terms shall be governed by, and construed in accordance with, New Zealand law and the courts of New Zealand shall have non-exclusive jurisdiction to hear and determine all issues and disputes which may arise under or in relation to Cards, the Card system, Online Accounts, the Website, MySnapper, the Snapper Apps or these Terms. You agree that the New Zealand courts are a convenient forum in which to hear and determine any such issues and disputes.

89. **Electronic communications:** You consent to receiving communications from us electronically (other than promotional messages under the Unsolicited Electronic Messages Act 2007, in which case we will obtain your consent to receiving such promotional messages in accordance with that Act) and you agree that all agreements, notices, disclosures and other communications that we provide to you electronically satisfy any legal requirement that such communications be in writing.

91. **Force majeure:** Neither us nor the Authorised Service Providers, Authorised Merchants or Transport Service Providers shall be liable for any non-performance, error, interruption, or delay in the performance of their obligations under these Terms or in the availability or performance of the Card system, if this is due (in whole or in part, directly or indirectly) to any event or circumstance which is outside reasonable control of us, the Authorised Service Providers, the Authorised Merchants or Transport Service Providers, including (without limitation):

(a) flood, lightning, acts of God, fire, earthquakes, and other natural disasters;

(b) judgments, legislations, acts, orders, regulations, bylaws or other measures of any kind on the part of any court, governmental, parliamentary, or regulatory authority;
